

# The Jubilee Music Calendar of Classes for 2018-2019 School Year

## *The Jubilee Music Class* is for kids with and without disabilities, in a wide range of ages and ability levels.

There is no charge or fee to attend Jubilee Music Classes. Come join us whenever one of our classes happens to fit in with your schedule. We use musical games and activities as a way to get to know each other, learn to be comfortable with and respectful of differences, and have a great time together!

For many kids with special needs the enjoyment of musical activities can be used to encourage the development of social skills, communication/conversation skills and the use of sensory strategies to promote calm alertness.

At Jubilee Music, children with typical development are encouraged in the development of compassion, respect, and an appreciation of the gifts that come along with differences. Friends with disabilities are some of the best teachers in helping peers to build these skills and virtues.

Teen and adult volunteers are welcome! Teens and adults with disabilities have also been great participants, inspiring everyone as they develop skills that might help pave the way for success in future volunteer work or a job.

## Are you on Jeanne's Jubilee Music email list?

If you received this Jubilee Music calendar of classes through the awesome Special Needs And Parent Support (SNAPS) group that meets at St. Peter Chanel, or from someone else, and didn't receive it straight from Jeanne Lyons, please consider emailing me (Jeanne) at [jlyons@stpeterchanel.org](mailto:jlyons@stpeterchanel.org) and letting me know you'd like to be placed on the Jubilee Music email list. That way you'll be sure to receive notifications whenever a class has to be cancelled or moved to another day.

I always feel badly whenever I've had to cancel a class and later heard that someone who is not on my email list had shown up with their child that day and had found the Jubilee room to be locked up and dark.
